

HWID Changer V1.2 [PC] [HOT]

HWID Changer V1.2 [PC]. HWID Changer is a small program that allows you to change the ID of your machine in games to another, so that later there are no problems like "How so, you had this ID!". The program has a simple and intuitive interface that will allow you to quickly edit your machine ID. Before saving the changes, you are given the opportunity to view the machine ID from the game. You can set your own ID for each server. The program is compatible with all popular games.
