Unless, of course, you have your own ideas. - I have. - Well, share it. - If we were playing chess now, I would say that it was check. - I would answer with a mother. That's not what I meant. - BUT."And what did you mean?"  That we would have several new options that we could develop and use. In what context would you use it?  In the context of what we already have.  Do we have any? - Yes. - What?  New Pope.
