The graphics are amazing, with detailed characters with multiple attacks, and the massive amount of quests is truly a piece of cake to complete. Tarnished 3 has a lot of story and the main goal of the game is to complete the story." June 25, 1972. *433 Laser, Sharp, Haley, Young & Boswell, Little Rock, for appellant. Hutcheson, Arnold, Miller & Ford, Little Rock, for appellee. GEORGE ROSE SMITH, Justice. We have taken jurisdiction for the first time of an appeal from a declaratory judgment as to the liability of an insurer. St. Paul Fire and Marine Insurance Company issued an automobile liability policy covering appellee's pickup truck, which was involved in a collision on Highway 65 near Stuttgart. The driver of the other car was killed, and the owner of the pickup truck, Helen Grandstaff, was injured. Ms. Grandstaff was awarded a judgment against the driver of the other car, Curtis Wilson, for \$5,818.43, which represents medical payments and property damage. The insurer now says that it is not liable to the extent of Wilson's policy limit. The policy, effective September 26, 1969, covers Ms. Grandstaff and her son as named insureds, but limits the coverage afforded to \$10,000, stated to be the sum for "each person" for bodily injuries.
