Assault Heroes Evolved! A fantasy action RPG that plunges you into an epic drama and challenges you to defend the Lands Between. The Lands Between is a world where an unearthly terror, Malebolgia, has spread across the land. A land where the spirit of Maleficent rides an Elder and menaces women. A land of eternal night where the Demon Shambda sinisterly plots its rebellion. Protect the Lands Between and join forces with the Royal Party of King Jarnov on their pilgrimage to slay Malebolgia, leader of the Demon King's army. Become a blessed Knight defending the Princess and slay Malebolgia to save the Lands Between. [Now Available] The Elden Ring Torrent Download 1.0 update patch This patch update addresses the current issues: • The bug wherein a Game Box is not displayed in the Box Display in the Catalog. • The bug wherein the Sound Volume is reset in the Settings after activating the Collector's Edition. • The problem whereby the game save screen is displayed when the Save Screen in the Catalog is touched after the launch of the game. • The bug wherein the purchased content is not displayed in the "Purchased Content" area in the Catalog. • The bug wherein the music volume is reset when the Collectible Sound Volume in Settings is set to high. • The bug wherein the Performance Evaluate screen is displayed immediately after the launch of the game. • The bug wherein the audio of the Character Select screen is not selected on YouTube. • The problem wherein the character name is not registered and displayed on the map screen. • The problem wherein no save points are displayed on the map. • The problem wherein the map design is not displayed on the Tutorial Map. • The bug wherein the conversation with the monster that appears on the quest screen is not displayed. • The bug wherein the distorted map design is displayed in the Settings. • The bug wherein the quest of Slaying Malebolgia cannot be completed. • The bug wherein a wrong item cannot be used in the Mission / Story Mode. To address all the above issues, a patch update will be released by March 31, 2018 (Tokyo time). Purchase History Purchases Made with Kyurem and Kyurem Black can be used to unlock collectibles.

----- Please note that all purchase history of

Features Key:

Huge Story with Multiple Scenarios and Multiple Endings The multilayered story of the Lands

Between is an epic drama. Let the narrative flow by personalizing your character and making unlikely journeys. And in the deepest labyrinths of the Elden Ring, feel the drama in flashback scenes in which your choices have great consequences.

Out of Game Room Equipped with Gorgeous CG Special Effects and Mario Tone-designs Enjoy a story of a young adventurer led by destiny, immersed in stunning graphics. The Stories of the Lands Between are the tales of heroes to be told.

Thousands of Levels (Currently over 2000) The vast battlefields that the Lands Between can be accessed from each other are all mapped using Open Data, meaning that the player is free to create their own levels as they play and freely import data to enrich the world. You will find what you desire in the Lands Between!

Real-Time Action Game Loosely Connected with Others Not only do the levels of the world in which you fight change, but the multiplayer elements also attract you after you fight in the game. What you as a player do in the game has an impact on your friends.

Cooperative Game in Open World Join friends in cooperative tasks while traveling in the open world. Given the wonderful diversity of the battle behavior in the game, you can cooperate or fight online with the same feeling as if you are actually together with others, and enjoy the thrill of the vast world with friends!

Dynamic Multiplayer Functions: Much more than a mere mode. Many exciting options for multiplayer use are included. Let the Games begin!

Isomorphic Design makes Half-Real's newest game, Elsword the Elden Ring, where your power is the heavy weight of authority. As we go on with more information on Elsword the Elden Ring, we will highlight the equipment and equipment, you will be able to equip your equipment, and different skills the more higher-rank equipment will give us. First, let's begin by explaining the useful items that you can equip.

Skill and Costume

You can equip ONE Skill per slot and dress outfits each time you level
