## **What is Little War?**

Little War is a netgame and a modelling application. The netgame allows people to take place in a fictional historical conflict with players sitting anywhere on the globe. They take turns "taking orders" and "ad-hocing orders", thereby controlling a squad of forces that can do things like move, attack, or do research.

The modelling application allows users to edit a single conflict and then save that as a history module for other users to use. It doesn't mean that the actual conflict takes place on your machine though - it just creates a list of the events and forces for the players to use. In that sense you might compare it to BattleTech or Shadowrun...

In addition to the data files of the actual conflict, the Little War package includes a re-creation of the OTC pen and graph paper as well as a sturdy, 52x17 inch roll of pretty nice black "map paper." This maps important coordinates for making the "map" for a conflict, and it also has two methods of wrapping. These maps are a kind of "6D pencil drawing" type thing, so they have the benefit of being free of the kind of eraser found in standard mapping supplies. Little War is an excellent choice if you're thinking about buying more world war two stuff than you'd otherwise need.

Battlefield One, the critically acclaimed video game and the best-selling First Person Shooter of 2016, is back and better than ever with Elite. A new way to experience Battlefield One with expertly chosen map, game mode and balancing configurations to play in. Master intense, fast-paced combat with Tactical Mode. \* The best elite version of Battlefield One with a brand new map and game mode. (\*Tac-Mode\* \*Tactical Mode\* \*Fast-paced\* \*Confident\* \*Higher quality) Battlefield One Elite has a new game mode: "Tactical Mode", a challenging gameplay experience that allows players to play Battlefield One in short bursts and to effectively configure their settings. In this mode, players have to deal with a "soft" setting with easy mechanics and gameplay (group leaders and spawn points). After a set time, the game changes to a more aggressive gameplay (individually in the group, spawn points will be closer to the battle). The player can choose to lock his modes and gun slots at the beginning or they will be automatically unlocked. The player can choose to add a class modifier to a gun or not. If a player has selected the "Lock guns and gun slots" option, the player will not be able to unlock his weapon slots or guns. \* New Map: With a fast-paced gameplay and intense gameplay, many players will find this map ideal. \* Mission Mode: Introduced in the original game, this mode is based on missions given by the game. You are the commander of a unit and must do your best to complete the mission and survive. There

nite Interview! Floridaman is not one to give up. He turns every phone call to a video game promotion into a way to earn money. There's no stopping him, or this man, until he gets his screen name and those 10k views. Reaching that milestone gets him the award he deserves, the 53th in our countdown of the Top 50 Funny Yo 2nite. Name: Floridaman Age: 36 City of Residence: Miami, FL Listening Time: Took about 7-10 minutes Quotables: 1. Anything with a camera in it, web series, Youtube series, channels — It's like an instant milli-lion views. They suck. 2. There's no way you could have seen my videos. 3. If any of my friends are in a hard place they can always message me or email me. 4. I don't hold grudges. I probably should but I just don't want them to waste their energy. 5. I am a hilarious person, I promise. 6. I always make money. 7. I am not a bad person by any means, but when it comes to yo 2nite I don't like to watch my so called peers laugh. There's no need to put on that fake laugh. 8. Dude make a video, on some old school camera with your n8 on youtube with the same time setting and try to compete with the mass - 2. 9. If you have 60k views, you have 15k subs. 10. The funny life means a boring situation. 11. Building a juggernaut is tough. 12. I am pretty sure I owe Internet faves, like Ahmahd El Chinso, their views from 2012. 13. Good vibes are strong with distance, bro. Keep them close. 14. I don't want to be an influencer. Maybe a headliner one day, but I still don't know how to make it. 15. I have to fight back a decent amount of stupidity. 16. I still remember how it feels to complain about a lack of views because you thought I was a failure. I am not a failure. 17. I
