You have three chances to win with this game! 1. Set a new record in the leaderboards for the amount of time you've spent in a single journey through the whole game, keeping your lap time under the 5 minute mark: Minimum time: 5 minutes. All times are rounded to the next full minute. Find out how far you currently rank on the leaderboards. Players can also win neat prizes on the leaderboards. 2. Find out how many fellow players have surpassed your current lap time record by visiting the Game Statistics tab. Players can also win neat prizes on the leaderboards. 3. Set a new record in the leaderboards for the total number of journeys you've made through the game. Minimum time: 1 journey. All times are rounded to the next full minute. Find out how far you currently rank on the leaderboards. Players can also win neat prizes on the leaderboards. Players who complete all three adventures can win all three unique game-related prizes and a glorious gift box with game goodies. IS IT CONFUSING? To sum up, the number of completed journeys through the game will determine your position on the leaderboards. The number of completed and unused lap times will determine how many of your fellow players can surpass you on the leaderboards. Also, the total number of journeys through the game, and the sum of all laps in those journeys, will determine how many of your fellow players are able to surpass you in the leaderboards. How do I enter the leaderboards? Once you have competed your best lap time in the first chapter of the game, you will receive a message from the Game Statistics tab on the left side of the screen. Instructions: You need to tap on the Wasted Time badge, so you can learn how much time has been spent on the game so far. You can only win the particular badge and any parts of the kit if you manage to travel further than the person who currently holds the leaderboard record for the longest lap time! Do you want to pass the leaderboards? Click the Wasted Time badge, get your friends together and play Space Crew: Legendary Edition! Warning for Parents: This game has on-screen movement. Game controls: Touchpad (AirTap) - Movement Gamepad (or Keyboard) - Fire Game controls (cursor, fuel, restart) - Avoid obstacles. If you're in danger of collision,

of the Rock'n'Rolla Rap! With his videos on Youtube, Rock'n'Rolla Rap (No. 311), one of the most famous and hard to find character in the '80s subculture, was instantly recognizable. Yet only a few Japanese persons has ever seen it. For more than thirty years now, he has been lying half-buried in a suitcase of documents. 'It was a time when there was no access to the Internet or Youtube for Japan people. Nowadays, the Internet is very handy. Yet, even today, the Japanese people for the most part don't know much about Rock'n'Rolla Rap. Japan-Germany football team may have won the 2018 World Cup, but Rock'n'Rolla Rap used to be one of the most loved sub-cultures of the 1980s.' [C] But it is more than a mere sequel with the DJ's penchant for D&B and electro undertones. Not only the music is completely new this time, but also the very look of the character is new. For instance, the classic Brazilian jeans are attached as a form of character armour. Since they are used in a heroic and heroic way, the term 'JC jeans' was born. [C] Not only did he participate in the making of the film, he also spends more than one hundred hours to write the script. 'At first, Rock'n'Rolla Rap was very hard to make. Because of the background story, it was very complicated to make. It's a very different story from 'DDR'. But, now, a 'JC jeans' costume is being realised.' 'DDR' (as in Def Jam Recordings) is the American record label that made a name for itself with popular urban music which included Run DMC, on whose account the character gets his name, and the TimeKones—a DJ generation, who are introduced on the soundtrack of 'DDR'. 'We chose Rock'n'Rolla Rap because DJ's have a great presence, which is hard to be matched with the pop choreography. Musically, it can fit well with the modern dance and pop scene. And with the principle of the song, we can fully enjoy the 90s sound. Japanese people may not have heard of Run DMC that well.' However, Rock'n'Rolla Rap seems to have
