Indonesian men have been arrested for molesting a German tourist at Ngurah Rai International Airport (RNIA) on Wednesday

---

(June 4). The victim, a 38-year-old Dutch national, reported the incident to a police officer about 2.30pm on Wednesday. She told the officer that two men, aged about 33 and 35 years old, molested her at the baggage claim. One of the men groped the victim's buttocks and performed a sex act on her. When police spoke to the victim at the airport, she said she did not see the attackers' faces. Police said they have identified and detained two Indonesian men, aged 33 and 35 years old, for investigation. The 33-year-old man is the registered owner of a Honda Civic that was seen parked in the vicinity of the airport. Police investigations are ongoing.
