Roblox is an online game platform and game creation system developed by Roblox Corporation that allows users to program games and play games created by other users. Created by David Baszucki and Erik Cassel in 2004 and released in 2006, the platform hosts user-created games of multiple genres coded in the programming language Lua. For most of Roblox's history, it was relatively small, both as a platform and a company. Roblox began to grow rapidly in the second half of the 2010s, and this growth has been accelerated by the COVID-19 pandemic. Welcome to roblox.com and I hope you are doing well today! It is my pleasure to introduce myself and let you know what I do. First of all, I would like to introduce myself. I am 12 years old. I am named Zoievos. I have been playing roblox for about a year and a half. I had been playing since that period. But after about a year and a half, I was looking for something more. I was looking for a community. Someone who was active. That's when I found you guys. I joined roblox.com in March 2018. I was terrified. At first, I never thought that I would like roblox. I didn't think that I would want to give up the window to my friends, the window to the world, the window to the community to join. I couldn't do it. But, I did it. And I have been doing it every day. I play games at roblox.com. I play survival, construction, party, and crafting games. I really want to meet you. If you want to join roblox.com and play with me, please let me know. If you want to play with me and have some fun with me, please let me know. If you want to
