MAY\\\'S - BEST 2005-2013 (2CD) 2013 Fixed

Coub is YouTube for video loops. You can take any video, trim the best part, merge with other videos, add soundtrack. It might be a funny scene. For example, how we cut the video from our birthday. I didn't think it would become popular back then. But now we are collecting 60 thousand views. And I see that it brings people pleasure. There are things in Coub that YouTube can't always do: for example, we can merge two videos to create one. We have special video filters.
