hi sreekanth, thanks for your informative article. i left previous employer in march of this year and did not serve the notice period due to health issues and have been unemployed since then therefore not contributing to pf. i have uan number and recently received my aadhar number this month which i am yet to link to uan. my pf deductions have started only in 2013 as previously i was working on a contractual basis. i changed two companies in these three years and the pf account had been carried forward by my last employer. what are the forms i need to submit in this case without the help of my previous employer i want to apply for full settlement of pf

hi sreekanth, thanks for your informative article. i left previous employer in nov. 2012 and had not contributed to pf since. i am unemployed now and my adhar and pan are updated. i want to claim my previous pf. i have uan number but kyc is not verified. i am not able to get my uan number. can i submit my pf claim with the help of uan. if the verification was done in 2011 how can i submit my pf claim without getting uan number. my previous employer is not signing the claim form. hi i have submitted my epf withdrawal form 19(same as above pdf) but my employer has not signed my form. my employer is going to sign my form on 20 th april but he has not signed. i want to know how the pf department will process my form. thanks niraj please help me, i have submitted my pf withdrawal form 19 on 28th april but still, the status in epf website is 'no claim found'. my employer has not signed my form. my employer is going to sign my form on 20th may. but he has not signed. please help me. regards, nirmala

Pf Withdrawal Form 19 And 10c.pdf

i have 2 pf account in same company and each account is for paying different purpose. i want to withdraw from both the account. i have form 19s and 10s forms. which form i need to select and pay the premium.is it possible to do through uan but in the same or i need to separate dear sir, i have resigned and registered my resignation on 25th of this month. now i want to withdraw my pf and also decided to get re-employed in a well-known company. therefore, my questions are as follows: 1. if i have resigned from this employer (though i had resigned from one employer, it does not mean that this employer does not consider me as employee), can i get my pf from this employer? 2. if the pf has been already withdrawn from my previous employer, what should i do? i have submitted form to my previous employer but they have not filled up and nothing has been done. i have attached below my application form, which i submitted to my previous employer. since i have resigned, what should i do? thank you in advance! hi, i have resigned and registered my resignation on 25th of this month. now i want to withdraw my pf and also decided to get re-employed in a well-known company. therefore, my questions are as follows: 1. if i have resigned from this employer (though i had resigned from one employer, it does not mean that this employer does not consider me as employee), can i get my pf from this employer? 2. if the pf has been already withdrawn
