## Evangelion 1.11 English Dub 1080p Download

if you have not watched neon genesis evangelion, the first movie is a great place to start. it has a much more interesting storyline and explains a lot more about the series. by the time you're watching the second movie, you'll have a good understanding of the anime. i actually like the second movie more than the first. if you want to see the anime as it was meant to be seen, i recommend watching the first two movies. the third movie has a lot of great moments but it's also a confusing mess. like any good drama, the story line eventually becomes so convoluted and confusing that you start to wonder why you're watching it. evangelion is meant to be enjoyed with a little patience and reflection, not with a bunch of questions. at this point, the manga comes into play. the manga is a reimagining of the anime and it's a great story in and of itself. after you watch all the movies, the manga is a very good place to start. the first movie, evangelion, and the next three movies of the rebuild of evangelion are all pretty good. all the major moments are there, the story arc is tight, and the plot is guite predictable, but, there's the usual amount of whining and complaining from shinii. he's a terrible main character who's often saying inappropriate things or things are drawn incorrectly. \*\*\*1/2 i liked the first movie more than the second. i actually like the second movie more than the first. the third movie might as well have been a remake, not a re-telling, like the first movie. it has a lot of great moments but the story line is so convoluted and confusing that you spend a lot of time wondering why you're watching it. evangelion is meant to be enjoyed with a little patience and reflection, not with a bunch of questions, at this point, the anime comes into play, the anime is a very faithful remake of neon genesis evangelion. unlike the original, the new evangelion is in 3d cgi. they did a great job with the first movie but the rest of the series has unfortunately suffered. the first movie has a more interesting storyline. by the time you're watching the second movie, you'll have a good understanding of the series. i recommend watching the first movie. the second movie, evangelion, and the rest of the series has suffered for it. unlike the original, the new neon genesis evangelion is made in 3d cgi. they did a great job with the first movie but the rest of the series has understandably suffered. 5ec8ef588b
